

Your patient portal, *My Alex Health*, is here...

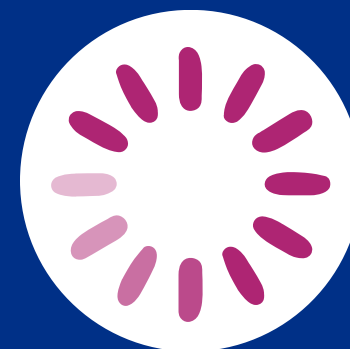

We're going through an exciting change to transform and improve our services.

If you want to speak to someone about what you've seen on *My Alex Health*, please contact paht.pals@nhs.net

We've introduced a new patient portal: giving you electronic access to the record of your care at The Princess Alexandra Hospital.

You may see some temporary formatting issues in your letters, particularly date formatting including your date of birth. **Please bear with us**, this is being fixed.
